

Casco Federal Credit Union is thrilled to announce some Exciting Changes Coming to Bill Pay!

Beginning Tuesday, September 22nd, our Online Bill Pay service will have a new look! The new PLUS Bill Payment platform will include many additional features and be more user-friendly. Current Bill Pay users can now log in and view a demo of what the site will look like once the conversion is complete. Your Bill Pay home page will look similar to the page below. However, your home page will now be customizable allowing you to decide which page you would like to view first.

With the new PLUS bill pay, you will now have the option to receive notifications by email or text when:

- A recurring transaction is in process.
- You receive a new message in the message center.
- A transfer account has been approved.
- A pay from account has been approved.
- A transaction exceeds a specified amount.

You will also be able to schedule reminders for each time you need to:

- Schedule a payment.
- Transfer funds.
- Send a donation.
- Send a Gift Check.

As always, payments can be set up as one-time, reoccurring or scheduled in advance. You will also be able to organize payees into categories, such as utilities, credit cards, auto expenses, or mortgage payments to simplifying managing your monthly expenses.

**Bill Pay will be unavailable from 6:00 PM on Saturday, September 19th until
Tuesday, September 22nd in order to begin the conversion process.**
