

Casco FCU Community Yard Sale

On Saturday, September 26th – the front lawn of Casco Federal Credit Union was transformed into our First Annual Community Yard Sale! We had over a dozen families participate in the event. They sold items to several hundred bargain shoppers from all over the Greater Gorham Area.

Your credit union sold donated items, hot dogs, popcorn and coffee and collected over \$350 for our charity - Maine CUs' Campaign for Ending Hunger. All money raised is distributed to hunger organizations and food pantries throughout Maine.

Thank you to everyone who donated their time and energy into making this First Annual Community Yard Sale a huge success! We would also like to thank the community members who came out in search of a great deal and helped support us in our endeavors.
