

## Casco Federal Credit Union: Safe & Sound

In these uncertain economic times, we want to assure you that Casco Federal Credit Union remains safe and secure.

**Your Money is Safe with us-** If you are in need of a safe and sound place to invest your hard earned money, please consider a Casco Federal Credit Union Savings, Money Market or Certificate. Because we are a non-profit organization we are able to offer our members superior rates of return on deposit accounts and you can rest assured that your money will be here when you need it.

**We Have Money to Lend-** Contrary to what the media is reporting there is no credit crunch at Casco FCU! We continue to remain financially strong and have money to lend. Whether you need a new or used auto loan, home mortgage, home equity loan, small business loan or debt consolidation loan Casco Federal Credit Union remains your most trusted source, offering many options at competitive, low rates. You can feel good knowing your loan is financed locally, and will always be serviced right here in Maine.

**Your Funds are Protected-** The Emergency Economic Stabilization Act of 2008 increased the insurance coverage on all accounts up to \$250,000 (\$500,000 for joint accounts) through December 31, 2009. The insurance is provided by the National Credit Union Share Insurance Fund (NCUSIF) and is backed by the full faith and credit of the United States Government. Additional information on the NCUSIF can be found at [www.ncua.gov](http://www.ncua.gov).
